CAREER SUMMARY

I am **Alger Padilla**, a motivated and detail-oriented Information Technology student with practical skills in office productivity tools, basic computer setup, and system configuration. I have experience in digital file organization, data encoding, and basic network and internet connectivity support. With strong soft skills such as active listening, teamwork, and effective time management, I am eager to contribute to an organization by providing reliable technical and administrative support while continuously learning and improving my IT competencies.

EXPERIENCE

PANAY ALTERNATIVE ENERGY (Intern)
January 19, 2026–May 5, 2026

Assisted with data encoding, records management, and general administrative tasks to support daily office operations. Maintained accurate records by organizing, verifying, and updating documents while ensuring confidentiality and proper documentation. Prepared and processed reports, handled inquiries, and managed both physical and digital files to improve workflow efficiency. Collaborated with team members on assigned tasks, demonstrated strong attention to detail, and ensured timely completion of responsibilities in a professional office environment.

EDUCATION

Tertiary: Passi City College <i>Passi City, Iloilo</i>	2022-2026
